Dear Pre-K Teacher,

The Work Sampling Online (WSO) system will open on **Monday, AUGUST 21st** for teachers. If you do not remember your password, click on the 'Forgot Password' link on the WSO login page. If you do not remember your WSO username, or if you have changed schools, use the link shown below to submit a WSO Help Ticket.

Contact your Pre-K Director to obtain a copy of the PANDA Roster Report for your class. This report contains the PANDA Class ID and the PANDA Student ID values required to begin your WSO data entry.

**PANDA Roster Report for Roster 1**

To create your class:

- Click the '3 Bar' icon on the WSO Home page and then select the 'Manage Classes' link.
- Enter the numeric PANDA Class ID as the WSO Class Name. **Do NOT** change your class name as this is a unique identifier assigned to your class by our database.

To add students:

- Click the '3 Bar' icon on the WSO Home page and then select the 'Manage Students' link.
- Enter the PANDA Student IDs from the PANDA Roster Report. **DO NOT** create a fictitious Student ID as this is a unique identifier assigned to each child by our database. Using it will help prevent duplicates from being created in WSO.
- **Only enter students that are physically attending.**

As new students enroll in your class, enter them into WSO. If you receive a message stating 'the PANDA ID or Student Name already exists', use the link below to submit a WSO Help Ticket. This error indicates we need to transfer their existing WSO record to you rather than you duplicating the student by adding a new record.

When a student withdraws from your class, please make sure your WSO data entry is up to date and archive the student as soon as possible. When students are not archived in a timely manner, it delays the process for transferring them to their new class.

For assistance with WSO, go to <http://www.decal.ga.gov/Prek/PreKChildAssessmentProgram.aspx> and submit a Help Ticket. We will respond as quickly as possible. We are looking forward to a great school year and appreciate all that you do for the children in your classroom!

Thank you,  
Pre-K Assessment Team
