

The Ideal Curriculum for Children in Preschool

If children are offered suitable opportunities to learn, they can do more than just fly; they can soar!

- Dr. Bisa

# It's Time for a Change!

## Early Care and Education has NEVER seen a curriculum like WINGS!

Parent Packet

WINGS Curricular Framework				
W	I	N	G	S
<b>Wonder</b> Anything that causes children to think or speculate curiously, admire, be amazed or in awe, surprised, or puzzled.	<b>Interests</b> Anything that is personally meaningful or draws the attention of the adults and children within the classroom.	<b>Needs</b> Developmental, cultural, or exceptional conditions or situations that must be addressed for proper development and learning to occur.	<b>Goals</b> Intentional statements differentiating where children are intellectually, socially, and emotionally—as well as how far they can go.	<b>Skills</b> Naturally acquired abilities and talents that become more evident as children grow and develop.

Curricular Framework Poster

Manual & Book of Forms

WINGS: The Ideal Curriculum for Children in Preschool is an active and interactive learning system for effectively organizing and implementing developmentally and culturally appropriate practices based on the interests, needs and skill levels of children from birth to age 5.

WINGS is an acronym for **Wonder, Interests, Needs, Goals, and Skills**. The framework guides adults in using children's **W-I-N** to teach **G-S**—a **WIN-WIN** strategy! 😊

## DECAL-approved!
