If a second site is not owned and operated by the same legal entity, the second site may submit a complete application as an independent center. In this situation the Independent Center will become a Sponsoring organization of “affiliated” centers. This means that you will become a “center sponsor”, sponsoring all affiliated centers under the auspices of the Program Agreement with Bright from the Start.

As a center sponsor, there are additional application requirements, including but not limited to, the submission of a new management plan, annual budget, and completing additional training. To get started, please contact the Application Specialist. In preparation for this transition, please review the Sponsoring Organization Provisions section of the CACFP regulations, 7 CFR 226.16 and Chapter 9 of the applicable handbook to become familiar with the requirements of the sponsoring organization. Use the New Application Instruction Booklet to complete the documents needed in the checklist. This booklet can be found on the Bright from the Start website. Submit the checklist and all documents required to the address below.
