

Children's Handwashing Rules

(Effective 8-25-10)

Children's hands shall be washed with liquid soap and warm running water as follows:

- Immediately upon arrival for care
- When moving from one child care group to another
- Upon re-entering the child care area after outside play

Before and after:

- eating meals and snacks
- handling or touching food
- playing in water

After:

- toileting and diapering
- playing in sand
- touching animals or pets
- contact with bodily fluids such as, but not limited to, mucus, saliva, vomit or blood
- contamination by any other means
