On Demand Child Care Training

Featured module:
Georgia Health & Safety Orientation Training

All child care professionals are responsible to keep the children in their care healthy and safe. Individuals who care for and teach children need to know how to

1) create safe spaces,
2) use safe practices with children,
3) develop and implement daily illness prevention and management strategies,
4) plan to keep children safe if an emergency occurs.

This six-hour module provides an overview of required health and safety topics for Georgia child care professionals.
