

LEARN Every Day™

Overview

Based on the latest brain-development research about how children learn best, the 36 content-rich thematic units within Learn Every Day™: The Preschool Curriculum can easily be implemented in any prekindergarten classroom! The three-volume set includes not only the Foundation Guide but also two additional volumes packed with thousands of fun and engaging learning activities organized into 36 scaffolded weekly thematic units. Each unit carefully walks the educator through a daily plan of instruction that can be modified for an individual child's needs and expectations. Each unit topic is extended with content-rich learning-center activities aligned to the Georgia state standards along with ESL tips, special-needs adaptations, and suggestions for extending learning. The curriculum includes a music CD with 18 songs. To learn more and to download a sample unit, visit www.Kaplanco.com/GAPreK or www.LearnEveryDayAbout.com.
