Books, Books, and More Books

Books, Books, and More Books

The books listed below are typical of those found in infant, toddler, and preschool classrooms. The book list is divided into two sections. Part One identifies books that support skills in the five areas of development. Many of these are referenced in the Activity Guide. Part Two lists more books commonly enjoyed by young children. Look for these books in the children's section of your public library. Books available in a Spanish version are noted with an asterisk (*).
