

Dear Project Director,

Your help is needed in ensuring that important Work Sampling Online (WSO) and DECAL email communications reach you and appropriate staff in your program. Please forward the request below to the IT support group for your school system. The request is regarding unblocking WSO and DECAL related emails. Thank you.

Dear IT Support,

Please make sure that the following email addresses used by the Georgia Department of Early Care and Learning (DECAL) and Pearson Early Learning Group are included in your whitelist on a yearly basis. Thank you.
