ATLANTA, Ga., (December 2, 2015) – Bright from the Start: Georgia Department of Early Care and Learning (DECAL) announced today that the application period for the Family Engagement Opportunity Grants is now open. The purpose of these grants is to provide educational opportunities that promote, encourage, and support community awareness and advocacy and to provide access to free, ongoing resources related to parent leadership and child development. Jacobs. “This grant opportunity provides resources that will equip communities to partner with families to create a better future for our youngest learners.”
