DECAL Seeking Applications for Georgia's Pre-K Teachers of the Year

Winner from Public School and from Private Center will be recognized

ATLANTA, Ga., (February 5, 2018) – Bright from the Start: Georgia Department of Early Care and Learning (DECAL) is seeking applications for Georgia's Pre-K Program Teachers of the Year for 2018-2019. DECAL will select a winner from a local public school system and a winner from a private child care center.

“Now in its 25th year, Georgia's Pre-K Program is nationally recognized as an exemplary early childhood education program for four year olds that significantly impacts school readiness skills in language, literacy, and math,” said DECAL Commissioner Amy M. Jacobs. “The program's success can be attributed directly to the outstanding Pre-K teachers and assistants who implement this program daily. This is a small way for us to recognize their efforts.”

The application for Pre-K Teacher of the Year is available on the DECAL website home page at www.dec.al.ga.gov. Completed applications must be postmarked or hand delivered no later than 5:00 PM on **Monday, February 26, 2018**. Finalists will be announced in May 2018, with the winners announced in the early fall.

This school year approximately 84,000 four year olds attend Georgia's Pre-K Program. The voluntary, lottery-funded Pre-K program has been recognized as one of the top programs in the nation, based on quality standards, teacher qualifications, and enrollment. Georgia's Pre-K Program is universal – meaning that any age eligible child residing in Georgia may attend the program regardless of family income. Georgia's model for providing the Pre-K program is unique in that it is offered through a public-private partnership in local school systems, in private child care centers, and in other facilities.
