Dear Child Care Provider:

This email is to remind you about Georgia's rule requirement on transportation training that goes into effect at the end of the month AND about the resources available to help you meet these requirements.

REQUIREMENTS: Director and staff participating in transportation services must complete two (2) clock hours of transportation procedures and forms training **on or before June 30, 2015** and at least every two years thereafter. **Effective July 1, 2015**, the Director and staff participating in transportation services must complete two (2) clock hours of transportation training before assuming any duties related to the transportation of children and at least every two years thereafter.

RESOURCES: This training is FREE; and it is ACCESSIBLE online at your convenience. For these reasons, we strongly advise you to take advantage of this resource specially developed to meet your needs and to help ensure that children in child care are transported safely. To access this free online transportation training, go to one of the following links:

Thank you for your continued partnership as we work together to provide safe and healthy child care environments for Georgia's youngest learners.

Sincerely,

Kristie Lewis
Assistant Commissioner for Child Care Services
