Dear Pre-K Teacher,

Below are a couple of important WSO reminders as we begin the second half of the school year:

- 1) Remember to change the Period setting on the 'Enter Evidence' screen from Collection Period 1 to Collection Period 2. This will not happen automatically because Pre-K calendars vary from program to program. Once you save a note under a new Collection Period, it will default all subsequent notes to that same Period until you change it again.

The screenshot shows the 'ENTER EVIDENCE' form. On the left is a sidebar with a list of students: Jdents, Gemma, Unnabelle, and y.Claine. The main form area includes a 'Date Observed' field with the value '11/27/2018', a 'Period' dropdown menu currently set to 'Period 1', and fields for 'Title' and 'Description'. A red arrow points to the 'Period 2' option in the dropdown menu.

- 2) If your Period 1 Checklist is not yet finalized, please do so immediately or any Outcomes Reports that your Pre-K director requests will not contain accurate information for your students. Currently, we have 14,000 Period 1 checklists that have not yet been finalized.
- 3) Whenever you need assistance with WSO, submit a WSO Online Help Ticket at: <http://www.decal.ga.gov/Prek/PreKChildAssessmentProgram.aspx>. We will respond to your request within 24 hours. The WSO Training Manual, recorded webinars, WSO 'How To' files and a WSO FAQ sheet are all available to you on this same webpage.

Thank you,

Pre-K Assessment Team
